	Cattle generally good to handle and flowed well through the race, majority of cows quiet in the yards however one cow protective of her calf if approached too close.		
Handled With	Bikes , Dogs		
Assessor Comments	A nice line of 8 year old cows that have been good honest, milky breeders for the vendor since being purchased as PTIC heifers. These cows would ideally suit anyone looking to purchase stock to replenish their breeder herds as these cows still have a few good years ahead of them. These cows would also suit anyone looking for a trade opportunity to split later on. Please note: - One cow is protective of her calf in yards. One cow has slight click in back leg, but does not seem to be affecting her.
