Assessor Comments	Offering 42 x 42 exceptional Angus cows and calves. Very reluctant sale due to the vendors agistment running out. Cows are based on Rennylea and Te Mania blood with Karoo Angus calves at foot. The cows are 7.5yo and present in forward store condition ready to join to the bull of your choice. The calves are March/April drop, very even and averaged 121kg. These present an opportunity to acquire proven breeders with excellent genetics to breed on with and a large cow to sell down the track. The dry cows out of these were sold and averaged 780kg curfewed. Please note, the vendor has 3 lots of cows and calves (126hd) in this sale. Cows will be delivered as a run out the gate and calves mothered up and marked at delivery.
