Assessor Comments	Wagyu are a specialised breed that I haven't had a lot of experience with., They handled well are large framed (Bar one). One head (separate photo of) Tag GP J48 is offered at a 30% discount rate (can be rejected by purchaser) it had a sickness and was treated with penicillin some time back it has completely recovered but it hasn't the condition or weight of the other 24 head its weight was 386kg it brought the average weight of the lot back. The next lightest is 475kg. These cows are offered as commercial cows only not as studs, the expected birth dates and society numbers are on the attached document but these are estimates and no guarantees are given to the accuracies,
