Assessor Comments	20x21 Charolais cows & calves that are ex the Kenmere Charolais Commercial herd, 5 year old 2020 drop cows. They are doing an amazing job on their 4-12 week old calves and are ready to be joined to a bull of your choice. These Cows are beautiful big matrons that show all the characteristics you will find in the Kenmere Charolais herd, large framed, quiet easy doing cattle that carry fat cover. They are only being offered for sale due to they are now surplus to requirement within the commercial herds, presenting an opportunity for anyone looking to start or add to a herd or someone looking for something different.
