Assessor Comments	A quality line of Angus x Hereford cows that are doing a fantastic job on their calves. Nice medium to large framed cows that are in the prime of their life, with their 2nd calf at foot, these 4 year cows make for a fantastic opportunity to secure some breeders heading into a strengthening market. Please note that these cattle have been purchased and are being sold due to a misunderstanding, there is nothing wrong with the cows and calves, simply being sold due to vendor note having adequate feed for them.
