Assessor Comments	A/c JP & CJ Cass of "Westlynn" Jindera offer 15x15 Angus Cows & Calves. These females are Rennylea & Kelly Angus blood, genuine 2nd calvers and have not been re-joined. They are doing an excellent job of their fresh 2-5 week old calves at foot that are sired by a Jarabee Angus bull. These outfits are classed in females only being offered due to the tight season and cows can only be described as good quality displaying great maternal traits with plenty of milk, frame and maturity. They sell un-joined with no bull on the property allowing successful purchaser to join to a bull of their choice at a time of their choice. These females are in the prime of their working life and will continue to grow and mature into big roomy females. Please note calves have been marked and given their first 7in1 vaccination.
