Assessor Comments	Restockers/traders here presents a small but nice line of angus cows with wagyu calves at foot. Cows are still young and have a life a head of them & would fit into any wagyu or angus program. Cows av 452kg at assessment & calves av 88kg cows present in store condition originally bought out of VIC and were taken to Byrock to be but into a wagyu program but seasonal conditions have changed that. Calves are by registered wagyu sires ID number YALFS10 & YALFQ31. Cows are medium & Large frame lighter cows in the mob are only younger cows & due to seasonal conditions. A great opportunity to secure a young line of cows & calves to ether grow the calves out & sell in a wagyu program or fatten & trade. PLEASE NOTE ONLY 4 DAY DELIVERY PERIOD
