	Cows drafted of calves in large pen quite calmly. Once pressure was applied in forcing yard a couple of cows stirred up a little before walking up race. Once on scales a handful of cows showed eagerness to exit and once returned to mob settled down		
Handled With	Bikes		
Assessor Comments	Mixed age medium to large frame cows doing a great job on the calves in a tight season. Cows with plenty of breeding behind the Merridale & Fernhill blood. Only on the market due to a change of management with more of a focus on spring calving. Deanhill has always produced calves that would stand in our first lane of weaners and these calves should be no exception given the opportunity. Take them home and continue joining them to a bull of your choice or appreciate their split value at the end of spring.
