Assessor Comments	Yarrinup Station offer an even line of well-bred PTIC cows that present in light store condition with plenty of frame. Cows are only offered to the market due to the continued dry season experienced throughout the region. Cows are a mix of vendor bred and purchased in, with all of them being proven breeders and given the opportunity they will produce another quality calf for the successful purchaser. Please note cows were preg tested on the 27th of February and will be re-preg tested prior to delivery so you can bid with confidence.
