Handled With	Dogs , Horses
Assessor Comments	A nice line of Grass fed and antibiotic Charolais cross steers. Sired by Minnie Vale Charolais bulls out of large frame cows. Steers carry plenty of bone and a good muscle pattern at an early age. Steers show good growth for age and softness allowing the purchaser to target domestic or export markets in the future. These steers are well bred and given the right opportunity will continue to go forward once being weaned.
