Assessor Comments	Good quality line of Vendor Bred, Graasfed and antibiotic free Steers. These Steers are by very good quality Angus bulls out of large frame Angus Charolais x cows. Steers are weaned and ready to put away and go on with. Steers have shape and softness to go and perform well if given the opportunity. 2 steers look to be out of Santa x cows having slight ear and naval. Refer Video. Ideal cattle to go onto the crop. Vendor has 2 other lots in same sale.
