Assessor Comments	33 Steers Acc. WC & MA McCrohon. The above steers present in forward store condition. Steers are 9-10 months of age - Yard weaned & trained. Bred from combination of Glenavon & Wattle Top Angus cows, 70% of steers are the progeny of AI sire Landfall Pheasentry with the balance being served by Landfall Newground. The McCrohon family previously have had success with their steers entered into the Tey's feedlot trial where they placed reserve champion overall in 2023. Vendor places a strong emphasis on low stress stock handling which is clearly evident as these steers were a pleasure to assess. The above line of steers come with assessors highest recommendation & will not disappoint!!
