Vendor Comments	These Cashmore Oaklea ewe lambs have been bred for this sale as high quality replacement for any prime lamb operation. We breed our stock in wet country so focus on Black Feet, Worm resistance, Fertility and Carcus. This breeds a resilient ewe.			
Joining Details	Not Station Mated			
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.			
Assessor Comments	The Glare Family has been breeding Cashmore Oaklea blood breeding ewes for over 10 years and has been selecting the sires from the top 1% of the maternal index. The Glares have been selecting their sires on Black feet and nose, High Growth, NLW, Fertility, worm resistance and bare points. Their breeding objective is to breed a ewe that will produce a high number of lambs in the tougher wet conditions of the south west. They will grow into excellent breeding ewes and produce a high quality prime lamb or maternal lamb.
