| Any Access To Rams or Stags?          | To vendor's best knowledge, this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |            |           |             |
| Assessor Comments                     | 320 seconds of the drop Cashmore Oakley Composite future breeder ewe lambs purposely breed for the restocking breeder market (Sold as 2 lines of 160). Russex P/S has been breeding Cashmore Oaklea composites for over 18 years and only purchase rams in the elite section of the ram sale. Russex ram selection is based on low birth weight, high early growth and keeping our adult weights down. This selection means Russex ewes are easy care, producing high performance lambs that can be processed at 5 months of age. Last year majority of the wth lambs were sold off the property at 5 month of age and killed at an avg weight of 22kgs. All Russex lambs have been imprint trained to grain before weaning. Please note there is 6 lines in total off Russex P/S in this sale. These ewes will not disappoint. |            |           |             |
