Assessor Comments	A smart line of excellent quality pure nudie ewe lambs back by top shelf genetics from Cashmore. Vendor has been only selecting sires at the top of the list for shedding, growth and all maternal traits which is a great testimonial to the quality of these ewe lambs. A great opportunity to secure some future breeders to top up exciting flock or a great starter mob with years of high production to come. These are southern shedding maternal sheep breed in the south and perform in the cold wet winters and hold up very well in the feet and condition.
