These females handled pretty well at assessment. Temperament as shown in videos.

Handled With Bikes , On foot , Vehicles

Assessor Comments A quality line of Black Baldy young females coming from a strong line of Hereford breeding in the back ground and using top Angus genetics from booramooka and coolie Angus studs. These heifers are quality females and I Highly recommend these to take on for breeders. They handle very well in the yards as they are very quiet cattle . NOTE . 12 calves are straight black in this lot .
