Assessor Comments	A very nice line of even large framed young heifers with 1st calf at foot and not rejoined. Heifers are doing a great job on their fresh young calves. Cattle well-handled and wouldn't look out of place in any front paddock. A top line of heifers which all calved unassisted. I am sure they won't disappoint wherever they end up.*Vendor offering to the successful purchaser the opportunity if they wish to access 18 seaman straws from the JAD (S50) Bred bull Sizzler which averaged \$275- a straw at the JAD Bull sale, Seaman is free but your responsibility to sort arrangements from Premier Genetics Coonabarabran for pick up, please note this offering is only to be used in theses commercial heifers and cannot be sold to anyone else. Vendor also has the tops of the drop 2024 unjoined heifers for sale in weaner sale.
