Handled With The heifers are excellent to handle. Will suit all levels of experience. Well educated cattle.
Bikes , On foot , Vehicles

Assessor Comments A quality group of 20 x Aug/ Sep 2023 Drop Shorthorn Heifers. An excellent opportunity to purchase a total of 40 x PTIC heifers joined to selected Spry's Shorthorn Sires to commence calving in August for 6 weeks. The heifers present in store condition and will take minimal maintenance to have them in a well managed position for calving. The heifers present well as a group and exhibit excellent frame and bone. Buyers can take full advantage of the Willett families dedication to selecting and breeding quality Shorthorn genetics over a number of years. An annual offering by the Willett family, the heifers will grow into moderate framed soft and fertile females. Well educated heifers that handle well in the yards, they will suit all levels of experience. Assessed as a group of 40, the heifers will be delivered as an even split exiting the crush.
