Assessor Comments	Arrawidgee offers a run of 15 Speckle x heifers that have been depastured to Charolais bull for 6 mths. Most heifers are showing signs of springing. They have plenty of frame but in store condition as per the dry conditions. They are extremely quiet and will make great future vealer mothers. Nice quiet heifers to tip out and calve down. They had been running in their out paddock across the hwy so didnt have time organise get preg tested
