	Generally very quiet females, just a few that were a bit anxious coming through the yards again so soon after preg testing. All brought up from the back yards to the race by a single handler. Let in to the crush for assessing & mostly stood quiet for the this process, just a few heifers doing a bit of stressing on the scales, listed above as slightly stirry. Very easy heifers that will further improve with age & handling.

Assessor Comments	Exceptionally well bred line of young females, having come from a closed herd consisting of pure Te Mania Bloodlines, originally bred up from Ex Team Te Mania dams. All by A.I Rennylea sires 508 & 519, and mop sire Ardrossan Nugget. PTIC to Te Mania sires Very stylish young heifers boasting a long, rich pedigree that will inject a stack of breeding in to your herd overnight. Offered for sale due to the tough seasonal conditions & currently looking their worst, making them the ideal article to tip out and watch bloom! The brothers of these females are generally retained and grown out to feeder weights, always being sought after by high end feedlots for their carcass performance. Buyers please Note. Vendor has another 2 lots of heifers in the same sale. Making a total offering of 102 PTIC Heifers.
