Assessor Comments	14 x 16 NSM Angus cows and calves. The cows are 4 years old while the calves are April drop and sired by the Harris Farms Angus bull. These outfits are a regretful sale and are only being sold due to the property being leased. They have been running in hill country in South Gippsland and are a good run of proven breeders in the prime of their lives, that are well structured and have a good temperament. The vendor has selected the Harris Farms bulls to sire the calves for doing ability and muscle shape.
