Assessor Comments	Tops of the drop of classed up heifers. I would describe heifers as large frame for type with youth on their side leaving plenty of time for continuing growth and weight. Heifers handle well in all aspects. Heifers i am sure that will make great breeders and will not disappoint wherever they end up. *Vendor offering to the successful purchaser the opportunity if they wish to access 21 seaman straws from the JAD (S50) Bred bull Sizzler which averaged \$275- a straw at the JAD Bull sale, Seaman is free but your responsibility to sort arrangements from Premier Genetics Coonabarabran for pick up, please note this offering is only to be used in theses commercial heifers and cannot be sold to anyone else. Note vendor has older sisters in eastern states sale, 18x18 heifers and calves that all calved unassessed.
