A good quality line of our Angus steers that we would usually take forward to feeder/export weights. Unfortunately due to the season the sale of these has been bought forward.

Assessor Comments

A good quality line of August/September 2024 drop Angus Steers that present even as a group. This group of steers would usually be held to feeder/export weights. Unfortunately, due to the seasonal conditions the sale of these steers has been bought forward. Steers are out of medium to large frame cows by a Killain Angus sire and will go forward to meet feeder/export markets if provided the opportunity. Please Note these steers had a ** 12 hour curfew**.
