Assessor Comments	Well bred line of August/ September '24 drop weaned steers. They are by Bongongo & Old Man Creek Bulls and weighed 288kg full (228-349kg) at assessment. Weaned at assessment for the benefit of the purchaser. Very quiet weaners that display great weight for age in a tough season and will go on to make excellent feeders or heavy grassfed kill bodies. Please note; vendor also offering heifer sisters in this sale.
