Assessor Comments	Quality line of spring drop Angus steers. Bred out of medium to large frame Bongongo blood Angus females and sired by Annaleine & Mundarlo Angus bulls. The vendor's cattle have a history of performing exceptionally well on feed and would suit any backgrounding or finishing program. Provided with the right opportunity these steers will excel for the successful purchaser. These steers are grass fed and antibiotic free. The vendor is also offering 36 weaned Angus steers in the same sale, excellent opportunity to put together one mark of 60 vendor bred Angus steers.
