Assessor Comments	38 Ardrossan Angus blood heifers bred by Old Cobran Pastoral. These heifers are the tops of drop with non retained this year. They show exceptional weight for age weighing in at 283kg 2 hours off feed (248-350kg) at only 9-10 months of age. These heifers are from a self replacing herd and would normally be retained as breeders but due to the prolonged dry conditions they are surplus to requirements. Ideal heifers to tuck away and join to a bull of your choice. Buyers please note 58 PTIC cows for sale in the Eastern States Sale.
