Assessor Comments

Phil & Gwen Lavis offer 93 one mark Angus Steers. Great opportunity to purchase a very well bred line of Dunoon blood weaned steers. These steers have had a tough start with the seasonal conditions, but given the right opportunity they have the breeding to perform very well. Aug/Sept 24 drop. Steers that would suit a backgrounding operation to take onto feeder weights or bullocks. Vendor has another line of 75 brothers in this sale.
