Assessor Comments	A great even line of Angus Cross steers off "SnowVale", presenting in fresh forward condition with good bone and shape. These steers present exceptionally well and would suit either taking forward into a feeder market, or finishing for trade/export markets. Coming out of a herd focusing on calving ease, good growth rates, and good temperament, these steers are set to perform. All animal health treatments are up to date. **Grass-fed eligible** *Vendor has another lot of steers in the sale*
