Assessor Comments	A great even line of Angus steers off "SnowVale", presenting in fresh forward condition with good bone and shape. These steers present exceptionally well and would suit either taking forward into a feeder market, or finishing for trade/export markets. Coming out of a herd focusing on calving ease, good growth rates, and good temperament, these steers are set to perform. All animal health treatments are up to date. **Grass-fed eligible *** Vendor has another lot of steers in the sale*
