Assessor Comments	Opportunity presents to purchase some very well bred light weight Rennylea, Ardrossan & The Glen Angus bld steers to put away to grow out. These weaners are usually grown out to heavier weights but due to dry seasonal conditions they need to go. Bred from a herd of large framed Angus cows these steers will no doubt do the job if shown the right nutrition whether that be either grass or grain. Please note vendor has 4 more lots in same sale.
