Assessor Comments	Opportunity presents to purchase some very well bred light weight Rennyalea & The Glen bld X steers to put away to grow out. These weaners are usually grown out to heavier weights but due to dry seasonal conditions they need to go. Bred from a herd of large framed Angus & Angus X cows these steers will no doubt do the job if shown the right nutrition whether that be either grass or grain. Please note vendor has 4 more lots in same sale.
