Assessor Comments	6 excellent quality purebred Limousin heifers on behalf of Donna Valley Limousins. These 8-9 month old weaners show characteristics typical of the breed with great butt shape and muscle definition from top to bottom. Heifers show growth for age and are marching ahead on good quality silage. The Withers cattle often enjoy support of repeat buyers and would perform on grass or grain and make excellent high yielding trade bodies or take on for future breeders. Difficult article to find.
