Assessor Comments	Presenting a neat line of well presenting heifers on behalf of Cambatong Park of Mansfield. These heifers are quiet and

easy to handle with extensive handling with dogs, vehicles and on foot and are responding well after being weaned early April. Ideal heifers to take multiple avenues such as a feedlot program, or to retain as breeders for future breeding programs. These are noted doing calves and are highly sought in the area by repeat buyers. Please note vendor has another 2 lots for sale in the same sale.
