	Quiet: 7 head	Quiet: 7 head	Temperament not assessed in Paddock
	Heifers were a pleasure to work with in the yards during the drafting and weighing process.		
Handled With	Bikes , Dogs , On foot , Vehicles		
Assessor Comments	Presenting a neat line of well presenting heifers on behalf of Cambatong Park of Mansfield. These heifers are quiet and easy to handle with extensive handling with dogs, vehicles and on foot and are responding well after being weaned early April. Ideal heifers to take multiple avenues such as a feedlot program, or to retain as breeders for future breeding programs. These are noted doing calves and are highly sought in the area by repeat buyers. Please note vendor has
