Assessor Comments	David Bates is a well-regarded name in the Gippsland region for presenting consistently high-quality Angus cattle. On offer are 80 Angus steers, 8–9 months of age, sired by Millah Murrah bloodline bulls. These steers have been weaned for two months and are displaying excellent temperament and ease of handling. They are currently running on an annual ryegrass crop and are progressing well. The vendor typically targets the spring store sales, but due to seasonal pressures has opted to market this line earlier than usual. This presents a genuine opportunity to secure a line of well-bred, performance-oriented steers that will suit both grass finishing and feedlot programs. Buyers can purchase with confidence.
