Notable Traits

Traits

1 Head Heifer with slight pinkey scarring

Assessor Comments David Bates is a well-regarded name in the Gippsland region for presenting consistently high-quality Angus cattle. On offer are 72 Angus tops of the drop Heifers, 8–9 months of age, sired by Millah Murrah bloodline bulls. These Heifers have been weaned for two months and are displaying excellent temperament and ease of handling. They are currently running on a rape crop and are progressing well. The vendor typically targets the spring store sales, but due to seasonal pressures has opted to market this line earlier than usual. This presents a genuine opportunity to secure a line of well-bred, performance-oriented heifers that will suit both breeding, grass finishing and feedlot programs. Buyers can purchase with confidence. Tail end has been removed. Note 80 steers same vendor is sale also.
