Assessor Comments	acc Reichstein, 52 Aug/Sept drop Heifers, Weaned Calves. Great well bred calves from Reichsteins that were weaned last week and now being sold while fresh with that great skin type. A Great line of weaners with great composition of breeding with the Cross of Angus, Simmental and Limousin. These cattle will perform and were bred by large framed AngusX cows. Cattle were weighed off at 245Kg+ at assessment, so you get the good doers. 3 calf had small stub scurs and 7 had that coppery type skin, 2 have a splash of white underneath.
