Assessor Comments	Good Quality Vendor bred store lambs, being January to March 2025 drop. Lambs have been weaned 2 weeks and present in fresh healthy condition and will go forward quickly on feed. Lambs would usually be grown out to kill weights but due to the declining season are being sold early. Odd ewe lamb still with long tail in mob. Please note vendor has 1170 head in this sale and will be sold swing of the gate as a line of 730 and 440 head.
