Assessor Comments	The Finnerty family have been strong supporters of the nudie movement and have been successfully breeding hard doing nudies for 15 years, The farm is located in the southwest in a area that is renowned for wet winters. This has driven the Finnerty's to breed a very reliable hard doing sheep that can produce a high number of lambs in tough conditions. The Nudies off the Finnerty farm are selected on fertility, growth and sheding. These young Ewe Lambs are an excellent example of the breed and have the generations behind them to excel in any operation.
