Assessor Comments	Buyers, to be offered for sale are 140 White Dorper and Australian White Store Lambs. Vendor bred lambs, Annalara White Dorper, Tattykeel and Red Hill Australian White Blood. Average 32.7Kg at assessment with a tail removed. Lambs are trained to grain with access to Barley feeders in their paddock. Plenty of time to fatten these lambs, September/October/November drop. Lambs are well bred and well managed. Weaned properly. Drenched and Vaccinated in May. A great opportunity to purchase an even line of 140 shedding lambs that will continue to grow and fatten into ideal domestic and export weights. A great trade proposition to meet lucrative forward lamb contracts.
