Assessor Comments	On offer is a quality line of vendor bred store suckers. These suckers are bred from an excellent line of large frame merino ewes that were purchased ex breeder from the Hay District and sired by top Dursley Poll Dorset Rams. Lambs are late March/April drop and will be weaned at delivery and ready to go ahead on crop. These lambs are only being sold due to the loss of a lease block and present an excellent opportunity for the successful purchaser with these lambs normally retained and grown out for the slaughter market.
