Assessor Comments	Opportunity to purchase genuine woolcutters bred for there ability to cut kg of quality wools. Cocketgedong has focused on this being selective in ram purchases over many years, which has included Roseville Park, Nerstane and One Oak Poll in recent years. These being the lead draft of 612 from 2549 head, concentrating on length of body and frame. Intending purchasers would include those looking to take onto processor weights, feedlotters and wool cutting replacements, please keep in mind these wethers are going forward even though they are mainly fat score 1's. In regards to Bathurst Burr assessment being Medium due to areas which it is not the amount, please take note of photos and videos to draw your own conclusion. If you have any further questions don't hesitate to call and discuss.
