Vendor Comments	sadly will have to offer these xbl for sale . we usually have no issue turning these off as heavy trade weight lambs , given half a season. we have decided to sell whilst they are in reasonably fresh condition.			
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	these lambs have basically weaned themselves due to the season, but we have kept them with the ewes for ease of delivery . Lambs are in quite fresh condition considering the season and will go ahead with fresh green feed. bred from large mallee ewes with quality rams .
