This line of 520 May- June 2023 drop ewes present a fantastic opportunity to secure future breeders now, that with some feed, will present as an impressive line of maiden ewes to join later in the year. These ewes are only being offered due to ongoing dry seasonal conditions, they were classed as keepers as 12 month old ewes at shearing last year, and were intended to be part of the vendors self replacing Poll Merino flock, however with ongoing dry conditions, they have been offered for sale.
