Assessor Comments	An excellent line of Charolais x heifers and Angus weaned steers. Weaners are all vendor bred and weaned on the 1st of June where they were run through the crush and handled numerous times with dogs which reflects in their temperament. Calves are out of Santa and Angus cows and sired by Calmvale Charolais bulls. Heifers present in forward store condition and are ideal for anyone doing any sort of domestic or 100 day feedlot job or would be ideal heifers to take on for future breeders
