Assessor Comments

Buyer 14 very good steers 337-432kg to average 370kg full weight. They should not disappoint if given the opportunity. Vendors cattle have been sold in the past and have performed very well for the purchasers. Steers are by pure bred bulls from some of the best Speckle Park studs. They are out of vendors brought in herd of cows of Angus and Speckles. Very quiet steers and a pleasure to handle. Please note vendor is happy to sign Pasturefed Cattle Assurance System Non-Certified Supplier Declaration, if requested. Also there is 2 red speckle and 2 black steer in mob, vendor also offering 10 heifers in todays sale.
