Assessor Comments	Buyers 10 very good Speckle Park heifers 323-392kg to average 358kg full weight. They should not disappoint if given the opportunity. Would make great replacement heifers or would do most feed on jobs. Vendors cattle have been sold in the past and have performed very well for the purchasers. Heifers are by pure bred bulls from some of the best Speckle Park studs. They are out of vendors brought in herd of cows of Angus and Speckles. Very quiet heifers and a pleasure to handle. Please note vendor is happy to sign Pasturefed Cattle Assurance System Non-Certified Supplier Declaration, if requested. Please note there is 1 red speckle and 2 black heifers in mob, 2 heifers seen with very small wart. Vendor also offering 14 steers in todays sale.
