Assessor Comments

A nice line of 70 one-mark Angus steers. These steers are in a tight weight range from 340 - 420kg at assessment. Steers

are Te Mania and Rennylea Blood with high IMF a key selector for bulls. Cattle are up to date with all their animal health treatments including a Bovilis MH+IBR in late April and are on the do enjoying fantastic conditions at "Erdavale". Steers that are renowned performers in the paddock and the feedlot. Please note the vendor has another lot of 96 lighter steers offered in the same sale.
