Assessor Comments	A line of yard weaned vendor bred Murray Grey Heifers that present in their working clothes. Heifers were yard weaned for 4 days on Rye & Clover Hay and will continue to be fed in a small paddock with ad lib Rye & Clover Hay until delivery. Due to challenging seasonal conditions these Heifers present an opportunity for compensatory gain and should power forward given the opportunity. Please note the same vendor also has another 3 lots in the same sale giving the buyer the ability to purchase 71 calves.
