Assessor Comments	160 magnificent quality steers that will be sold as two even runs out the gate and will be sold on a cents per kg weight basis. Steers have done exceptionally well so far and with all the hard work having been done getting started on grain should make for an easy transition into any feedlot environment. The Yammatree steers are highly sought after by several major feedlots, and we have good feedback on their performance in feedlots. Please take note of delivery date window.
